

I Would Rather Have Nothing Than Settle For Less

CHORUS

I would rather have nothing than settle for less

I would rather have joy and happiness

I would rather have peace down in my soul

Than all the gold in this old world

I would rather have love for all my brothers

All helping one another

I would rather have nothing in this world than settle for less.

VERSE 1

You may have a big fine home, or a Jaguar that's all your own

You may have a condo in Vail or a high degree from Yale.

I don't care about all those things, and the prestige that they may bring,

I would rather have joy down in my soul more than anything.

VERSE 2

You might be living high on the hog, or be treated like a dog.

You might have the tiger by the tail, or spent 30 days in jail.

It don't matter what life might bring, about Jesus I will sing,

I would rather have joy down in my soul more than anything.
