What Would Jesus Drive?

©2009 Mathis-Kaat-Wohlert

Would Jesus ^E drive an old school bus to pick-up kids at the school,
Or would He ^E drive a mini-van and drop them at the pool,
Or would He ^A drive a big ole Cadillac with His friends all in the back
Or would He ^B take His new Corvette and meet us at the track?

VERSE 2

Would He ^E drive a Mercedes Benz and impress all His friends
Or would He ^E drive a ragtop Jeep to show where all He'd been.
Would Jesus ^A drive a Chevrolet, a Pontiac or what
Would He ^B drive an old clunker, or one right off the lot?

The Bible says He came of His own Accord ^E
^{F#} I don't care what car He drove

VERSE 3

Pearl ^E paint and golden trim seems like the thing to do
But when it came to taking the keys, what would Jesus do ^E
Would He ^A drive a new hybrid or an Econoline van
^B Could be a Honda or a Volvo, but I know He has a plan.
